How Auras Are Manifested, Tinctured And Spiritualized. fN the problem of human life the two words materiality and spirituality apply to states of the spirit under the government of the self--man being either material or spiritual in thought, feeling and action and: such conduct defining the character. Consciousness, -which is the sphere of divinity, becomes the spectrum of-the soul, as mind is the spectrum of consciousness, lay which the character is manifested. The aura is fundamentally under the government of these states which indicate the character; but primarily it radiates deific glory. In the series of correspondences by which the Absolute and the Eternal are appaiently associated with the Relative and the Temporal, the spirit adapts Itself to each and all. There is no confusion or disorder, no interference or interruption in their free action, each state or sphere of the spirit find its own reflector and reflection and so transfers or translates the inner into terms of outer glory. The absolute radiant center is the Divine Fountain of Spiritual immanence and radia tion and it is eternally and unchangeably the same. It may and does have other collateral and sudordinate centres but it is supreme, it works through them to fashion the world of mind and form into the spiritual and celestial archetype and the need of all relative series becomes manifest when it is remembered that while only God is, the Manifest as the form...
