Brand New Book ***** Print on Demand *****.A landscape filled with blooming vegetation-an example of God's creation doing what He created it to do. Each plant, shrub and tree significant in its own right and being the best it can be. But what about me and you? God expects blooming lives from us too: spiritually thriving, flourishing and growing in maturity. Whether you're a seedling, a mighty tree or somewhere in between, this book will fertilize your faith. BLOOM. Summer is an encourager, teacher and prayer warrior, who is driven by her love for God and people. Aside from spiritual growth in her own life, it gives her great joy to witness and be a part of God's process for spiritual growth in the lives of others. By God's grace, she is a breast cancer survivor. Publishing her first book of poems while undergoing treatment, Summer is living proof that we can do all things through Christ who strengthens us, that God does work ALL things together for the good of those who love Him, and are called according to His purpose and that in Christ we are more than conquerors.
