In Bully Bug - A Mother Nature Story, I hope to inspire children to value nature and respect life. (By seeing things from an insect s perspective, I hope they will realize how enormously threatening us humans must seem, to those tiny little creatures. With kindness and compassion for even the smallest of things that share our planet with us, our children can, someday, be the ones to save the earth. Billy and Bugzy have something in common: They both don t listen. This gets them into trouble. Billy Bob believes that lady bugs bring luck, and Bugzy believes she s the luckiest lady bug of all. They break rules and challenge the Laws of Nature. There are lessons to be learned in school, and rules to be followed. Some look, listen and learn, while others wonder, wander and waste.
