ONE IN FOUR (PAPERBACK)

Chipmunkpublishing, United Kingdom, 2007. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.By Joy Ford ISBN: 978-1-84747-173-4 Published: 2007 Pages: 190 Key Themes: carer s story, grief, poetry, schizophrenia, mental health services, suicide With this book I want people to realise that even if you do manage to get help for a loved one who has become seriously mentally ill, it does not mean they are safe from harming themselves. Hospitals are only as good as the staff that run them. Care In The Community is very spasmodic, especially in rural areas. I also want people to realise that seriously mentally ill people are not people to fear, they want to feel, and be treated as normal like everyone else. - Joy Ford Description One In Four uses a mixture of prose and poetry to tell the important and tragic story of a teenage boy who becomes seriously mentally ill, with paranoid schizophrenia, from a mother s point of view. It travels with her and her son through the quagmire of Care In The Community and the problems of living on the cusp of two counties. This excellent narrative shows how people can slip through the net, leading, in this instance, to the death of a very much loved child, brother, and grandson. Joy s son did not want to die, it was the illness that killed him, aggravated by the neglect of the hospital he was in. The story travels through the effect this tragedy has had on the mother and the struggle she has coming to terms with the loss of her son. This is a wonderfully poignant, if emotionally involving book. A fitting memorial to Edward. About the Author I found writing this cathartic though upsetting at..
