## Software Test Design Through Behavioral Modeling (Paperback)

By Shel Prince

Booksurge Publishing, United States, 2008. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Author Shel Prince presents a groundbreaking methodology for software-testing design that assures fewer bugs and thoroughly tested software applications in less time, and with less hassle, than traditional methods. The breakthrough involves Behavioral Modeling, a technique that produces the minimum size test suite for the maximum testing coverage. Addressing the three biggest problems facing anyone responsible for testing software-time constraints, too many bugs, and inadequate requirements-author Prince offers systematic and concrete solutions to these problems providing a scalable, actionable approach valid in an enterprise or boutique development environment. Sure to become a classic in the world of software testing best practices, Software Test Design through Behavioral Modeling removes the guesswork from test suite design and empowers end-users, developers, testers and project managers with the tools they need to move their projects into go-live status with confidence.
