Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The British Academy: The Gold Coinage of Asia Before, Alexander the Great The first issue of pure gold was due to Croesus, not to Darius. It seems likely that the principle that the issue of gold coin was the first privilege of authority was one which made its way slowly and perhaps almost unconsciously. From age to age it became more solidly fixed: and the Roman Empire maintained it even more rigidly than did that of Persia. There is, however, another question as to which modern expert opinion is more divided. If we allow that the issue of gold was a right jealously guarded by the Great King, how far does this apply to the issues of white gold or electrum, of that mixture of gold and silver which was in ordinary use for coinage in the earliest period? Did Persia regard these as issues of gold? or did Persia place them on the level of issues of silver? or did it pursue a middle course in regard to their authorization? This is not an...
