

Vision Therapy: Exercise Your Eyes and Improve Your Eyesight (Paperback)

By Dean Liguori

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2000 A.D., the author experienced physical eye trauma to one eye resulting in an injury that was compounded by an erroneous medical prescription designed to treat the injury. The combined trauma and damage caused by the prescription drug resulted in severely limited vision in his injured eye. Unable to accept the result of this injury, he embarked on a mission to overcome it. As a result of the damage he sustained, he had the opportunity to interact with accomplished doctors in many prestigious universities and institutions. He participated in events and seminars that only doctors were invited to and engaged in all available rehabilitation. He researched and sought all information, studies, and associated work on vision impairment and restoration that he could get his hands on. One important observation of his journey was the adherence of most of the vision industry to the medical model of healing. This failed model takes a general approach to correcting vision problems by mitigating symptoms without offering any solution to the underlying disorder. One important discovery of this journey was the...
