With respect to the volume, because of the availability and the access of sharing on an Internet site, a warez site or on a peer-to-peer level, it is astronomical as far as how much can get out there and how quickly it can be done. There is one small distinction, though. With respect to the hard goods, the one difference is you actually exchange cash. So there is somebody who is out there who is taking monies in when it comes to hard goods. It is much more difficult for us to quantify what that loss would be in sort of the peer-to-peer or the Internet situation. Chairman S. Ms. Yang, we have the concurring opinions PECTER which are present in the Grokster case. Would it be important for Congress to pick up at least the issues raised in those two concur-ring opinions and consider them...
