Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Practice cursive handwriting in a stress-free way! The Trace-A-Story series publishes classic stories in traceable cursive and manuscript handwriting. This gives children extra practice in a stress-free setting and gives them a reason to complete the practice book. Unlike the earlier books (published before 2015) in the Trace-A-Story series, this one and all future ones (published 2015 and after) will not be broken up into daily sections. The reason for this decision is that every person learns at their own speed, they also have their good days and bad days, therefore every person has the freedom to decide how much he/she will do each day. Also, the font size in this book (and all Bible books to come) have been downsized to fit more into each book. Summary of this book: This is part 2 of 5 (chapters 11-20) of the first book of Moses called Genesis in the 3rd English translation of the Bible, better known as the King James Version (KJV). It was ordered by King James I to be done in 1604 and was completed in 1611 by 47 scholars.
