New Generation Publishing, United States, 2005. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine walking into your garden, be it wilderness or carefully tended, with your favourite gardening aunt at your side, ready and willing to offer advice and tips, which have been handed down and nurtured through the generations. Nature s Way: Wilderness to Garden is that aunt and will guide you through the mysteries and delights of your garden. From the correct urine/water ratio to add nutrients to your soil or the best music to encourage your plants, to delicious recipes using ingredients as diverse as tomatoes and feta cheese, dock leaves, thistles and dandelion buds, this book is a charming collation of the author s wisdom, cultivated over years of working with, and understanding the many and varied foibles of, plants and their environment, especially those in her homeland, Australia. Written for the amateur rather than the professional gardener and packed with useful hints throughout, this gardening manual will become a lifelong companion, a friend to consult from time to time when the answer to your planting problems eludes you.
