### ***Reviews***

*A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Ms. Teagan Osinski III)*

## THE POORER NATIONS A POSSIBLE HISTORY OF THE GLOBAL SOUTH

Verso. Paperback. Book Condition: New. Paperback. 316 pages. Dimensions: 8.2in. x 5.4in. x 0.9in. In *The Darker Nations*, Vijay Prashad provided an intellectual history of the Third World and traced the rise and fall of the Non-Aligned Movement. With *The Poorer Nations*, Prashad takes up the story where he left off. Since the 70s, the countries of the Global South have struggled to build political movements. Prashad analyzes the failures of neoliberalism, as well as the rise of the BRICS countries, the World Social Forum, issuebased movements like Via Campesina, the Latin American revolutionary revival in short, efforts to create alternatives to the neoliberal project advanced militarily by the US and its allies and economically by the IMF, the World Bank, the WTO, and other instruments of the powerful. Just as *The Darker Nations* asserted that the Third World was a project, not a place, *The Poorer Nations* sees the Global South as a term that properly refers not to geographical space but to a concatenation of protests against neoliberalism. In his foreword to the book, former Secretary-General of the United Nations Boutros Boutros-Ghali writes that Prashad has helped open the vista on complex events that preceded today's global situation and standoff. *The Poorer Nations* looks to the future while revising our sense of the past. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
