CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 150 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. The writing of this book was inspired by a two-fold correspondence with a priest friend. The two issues that he raised were: first, the decision by the Vatican to recognize as both valid and licit the use of that version of the Anaphora¹ of Addai and Mari which has no obvious words of consecration; and second, my description of the term Transubstantiation as contentious. I had not written anything focussed on the doctrine of the Eucharist previously, because I believed that this topic has been covered very thoroughly by many other writers of greater scholarship than myself. However, it now seems to me that I do have something worthwhile to contribute to the topic. This book covers the theology, philosophy and spirituality of the Eucharist. I believe that it is impossible to separate these from another without doing violence to ones appreciation of and participation in the Eucharist. The structure of the book is as follows. I begin with a review of the Scriptural texts pertinent to the Eucharist and propose a novel theory regarding its institution. I then consider a variety of Patristic texts which are advanced by Roman Catholic, Byzantine Orthodox and Protestant disputants as favouring their particular Eucharistic theologies. Next, I present a theological analysis of the Eucharist as the three-fold rational sacrifice which fulfils the Aaronic worship ritual. I then discuss the controversy over the form of the Eucharist before discussing Eucharistic Ontology from a Platonist perspective. Finally, I discuss Eucharistic spirituality and critique the revolutionary changes made to the Roman Liturgy in the name of pope Paul VI. This item ships from La Vergne, TN. Paperback.
