

13-Moon Diary 2012-2013

Filesize: 6.17 MB

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

13-MOON DIARY 2012-2013

Frontier Publishing. Paperback. Book Condition: new. BRAND NEW, 13-Moon Diary 2012-2013, The 260-day Tzolkin calendar was a gift of the prophetic Maya to the people of today. It is a tool to synchronise to the changing energies and transformation of 2012. In the Tzolkin calendar each of the 260 days has a specific energy attached to it. Each day has its own 'face', its identity or character, which influences its events, a person's luck at the moment, or even his fate. Visionary Jose Arguelles translated this old Tzolkin calendar to a world-wide usable 13 Moon, or Dreamspell Calendar, which holds real meaning and which should replace our traditional calendar. The Tzolkin calendar helps us to re-align ourselves with the natural cycles of nature and time. In these hectic and stressful times, this ancient calendar can be a useful tool in guiding our day-to-day living in a fun and productive way. The 13 Moon Calendar even enables us to heal the past and positively influence the future. The diary is an easy-to-use day planner in which you instantly glance what day it is according to the Gregorian calendar, as well as the 13 Moon Calendar. You can learn about the day-energies and plan your activities accordingly. All 13 Moon tables are included. Naturally, it has all the features of a contemporary diary, including a moon planner, when-is-when calendar and menstrual cycle calendar. This diary is produced with loving care, in full colour, featuring beautiful illustrations and allowing space for note taking.
