

## Essential Forensic Pathology: Core Studies and Exercises (Hardback)

By Gilbert Corrigan

Taylor Francis Inc, United States, 2012. Hardback. Book Condition: New. New.. 236 x 154 mm. Language: English . Brand New Book. A myriad of different scenarios await those entering the field of forensic pathology, ranging from gunshot wounds to asphyxiation to explosives to death from addiction. Essential Forensic Pathology: Core Studies and Exercises helps prepare pathologists in training by establishing what they must know about the most common death scenes they will encounter. The book begins by discussing the coaching objectives in medical education and follows with a description of the 15 different rotations of the forensic pathology resident. Using a consistent and concise format, the book describes the facility where the rotation takes place, the necessary skills, the laboratory equipment, and other components of the rotation. The main portion of the book presents forensic pathology essentials in the form of learning objectives-each delineated with a code: M for items students must know, and S for those they must do. This section begins by discussing the government's role, describes medical examiner and coroner systems, and analyzes the academic discipline of forensic pathology. Next, the book focuses on hands-on elements of forensic pathology, with chapters on scene investigation, identification, and...
