Original publisher: Maxwell Air Force Base, Ala. : Air War College, Air University, 1996 OCLC Number: (OCoLC)53398660 Subject: United States -- Armed Forces -- Civic action. Excerpt: . . . ESTILOW 9 have to make is to establish by that test the kind of war on which they are embarking; neither mistaking it for, nor trying to turn it into, something that is alien to its nature. Joint doctrine defines military operations other than war as encompassing a wide range of activities where the military instrument of National Power is used for purposes other than large-scale combat operations usually associated with war. The same document also lists raids, strikes, and insurgencies as other than war missions. Doctrine seems to focus on the key words large-scale, but success may depend more on the key words combat operations. Unless focused on a nonstate actor, each of these missions is an explicit breach of another nation's sovereignty. Such action usually results in war or at least a warlike reaction. One nation's OOTW easily becomes a survival issue for the other nation or nonstate actor. Witness the hunt for...

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication I have got read. It has been printed in an exceedingly basic way in fact it is simply after I finished reading through this publication where in fact changed me, change the way I believe.
