A Reprieve Plan for Our Ailing/Failing Roads and Bridges, is a plan that could give our roads and bridges a little more useful life.

This added time is much needed to arrange financing and do

the needed repairs and rebuilding. This is not a re-construction

plan, but rather a reprieve plan for some of our roads and

bridges currently under a death sentence unless some changes

are made. These changes could be implemented with little or no

cost to our government.
