Words on the Street is an experienced insider s analysis of Wall Street language. This informative and entertaining exploration of marketplace rhetoric focuses on metaphors derived from the fascinating arenas of games, love, war, politics, religion, the fine arts, and natural physical science. This expose reviews that wordplay in the context of the American Dream. Enticed by the oratory of Wall Street and its allies, many millions of Main Street dwellers around the globe have marched into and remained within Wall Street, often to invest. The recent worldwide economic crisis underlines the importance of Wall Street...
