TAO TE CHING: ANNOTATED EXPLAINED (PAPERBACK)

ReadHowYouWant.com Ltd, Canada, 2014. Paperback. Book Condition: New. [Large Print]. 254 x 197 mm. Language: English . Brand New Book ***** Print on Demand *****.The enduring wisdom of the Tao Te Ching can become a companion for your own spiritual journey. Reportedly written by a sage named Lao Tzu over 2,500 years ago, the Tao Te Ching is one of the most succinct - and yet among the most profound - spiritual texts ever written. Short enough to read in an afternoon, subtle enough to study for a lifetime, the Tao Te Ching distills into razor - sharp poetry centuries of spiritual inquiry into the Tao - the Way of the natural world around us that reveals the ultimate organizing principle of the universe. Derek Lin s insightful commentary, along with his new translation from the original Chinese - a translation that sets a whole new standard for accuracy - will inspire your spiritual journey and enrich your everyday life. It highlights the Tao Te Ching s insights on simplicity, balance, and learning from the paradoxical truths you can see all around you: finding strength through flexibility (because bamboo bends, it is tough to break); achieving goals by transcending obstacles (water simply flows around rocks on its way to the sea); believing that small changes bring powerful results (a sapling, in time, grows into a towering tree). Now you can experience the wisdom and power of Lao Tzu s words even if you have no previous knowledge of the Tao Te Ching. SkyLight Illuminations provides insightful yet unobtrusive commentary that describes helpful historical background, explains the Tao Te Ching s poetic imagery, and elucidates the ancient Taoist wisdom that will speak to your life today and energize your spiritual quest.
