

The Gamble: Choice and Chance in the 2012 Presidential Election (Paperback)

Filesize: 3.71 MB

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.

THE GAMBLE: CHOICE AND CHANCE IN THE 2012 PRESIDENTIAL ELECTION (PAPERBACK)

Princeton University Press, United States, 2014. Paperback. Book Condition: New. Revised updated ed. 234 x 152 mm. Language: English . Brand New Book. Game changer. We heard it so many times during the 2012 U.S. presidential election. But what actually made a difference in the contest--and what was just hype? In this groundbreaking book, John Sides and Lynn Vavreck tell the dramatic story of the election--with a big difference. Using an unusual moneyball approach and drawing on extensive quantitative data, they look beyond the anecdote, folklore, and conventional wisdom that often pass for election analysis to separate what was truly important from what was irrelevant. The Gamble combines this data with the best social science research and colorful on-the-ground reporting, providing the most accurate and precise account of the election yet written--and the only book of its kind. In a new preface, the authors reflect on the place of The Gamble in the tradition of presidential election studies, its reception to date, and possible paths for future social science research.
