## Women Key To Successful Democracy

By Varalakshmi Janapathy

2009. Hardcover. Book Condition: New. 340 Panchayats played a major role in the implementation of administration and also justice in ancient India, and our history tells us that Grama Panchayats were the bed-rocks for any development activity. Speaking about Grama Swaraj, Gandhiji said, "our native ancient institution like Grama Panchayat should be revived. Ours is a country of self-ruled institutions". Huyen Tsang of China, the famous traveller of 18th century, wrote highly appreciating our Panchayat Raj System and several historians wrote books analysing this ancient system. But, with the coming of Britishers, this system of decentralisation had been rooted out. Women are not to be treated as weaker segment of society or passive beneficiaries. To improve the status of women and for all-round development of society, it is necessary to harness the full potential of the silent half. Women should be involved at all level in planning, decision making, policy framing and in the implementation of all developmental programmes. Reservation for women in government and in parliamentary process is essential to enable them to influence gender sensitive local planning and implementation. Because of the many facilities, provided, new breed of women politicians in Indias small towns is coming up and...
