You have to be very careful about the other foods you are consuming along with smoothies. This is due to the fact that some smoothies will be high in fruit sugars and the last thing you want to do is combine that with fatty unhealthy foods. That is a great recipe for getting fatter not losing weight.Smoothies are not some miracle fat burner but work in conjunction with healthy eating. They work great for meal replacements or for people who just cannot eat enough vegetables. Vegetables are a weight loss plan s best friend so you want to get chummy with them. The point is if you think you can just add a couple smoothies a day and the fat will just melt off you have been misled.That is why this book provides that...
