Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, **Complicity: How the North Promoted, Prolonged, and Profited from Slavery**, Anne Farrow, Joel Lang, Jenifer Frank, Cheryl Magazine, Slavery in the South has been documented in volumes ranging from exhaustive histories to bestselling novels. But the North's profit from-indeed, dependence on-slavery has mostly been a shameful and well-kept secret . . . until now. In this startling and superbly researched new book, three veteran New England journalists demythologize the region of America known for tolerance and liberation, revealing a place where thousands of people were held in bondage and slavery was both an economic dynamo and a necessary way of life. **Complicity** reveals the cruel truth about the Triangle Trade of molasses, rum, and slaves that lucratively linked the North to the West Indies and Africa; discloses the reality of Northern empires built on profits from rum, cotton, and ivory-and run, in some cases, by abolitionists; and exposes the thousand-acre plantations that existed in towns such as Salem, Connecticut. Here, too, are eye-opening accounts of the individuals who profited directly from slavery far from the Mason-Dixon line-including Nathaniel Gordon of Maine, the only slave trader sentenced to die in the United States, who even as an inmate of New York's infamous Tombs prison was supported by a shockingly large percentage of the city; Patty Cannon, whose brutal gang kidnapped free blacks from Northern states and sold them into slavery; and the Philadelphia doctor Samuel Morton, eminent in the nineteenth-century field of "race science," which purported to prove the inferiority of African-born black people. Culled from long-ignored documents and reports-and bolstered by rarely seen photos, publications, maps, and period drawings-**Complicity** is a fascinating and sobering work that actually does what so many books pretend to do: shed light on America's past...
