*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## DUELS AND DUELLING

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Duels and Duelling, Stephen Banks, A duel could result from any challenge to a gentleman's honour, from minor insult to major accusation. At a prearranged time, two men at odds would meet, armed either with swords or pistols, to engage in a formal and sometimes fatal exchange. Gentlemen considered it their prerogative to fight, despite the illegality of duelling, and figures as prominent as the Duke of Wellington and Georges Clemenceau defended their honour in this way. Why did participants flout the law, what codes were followed, what were the changing roles of the seconds, and what were the consequences for victims and victors? Stephen Banks answers these questions and examines the evolution from Norman trials-by-combat to the formalised duel, analysing the custom's decline in England by Victorian times and its final disappearance from Europe by the twentieth century.
