Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Brand New Book ***** Print on Demand *****.What happens when you put a white collar executive in the blue collar restaurant industry? Once the culture shock wears off, he passes on the valuable lessons of coming at life from a whole new, slightly warped view in a sardonic commentary on the world around us. Having gone from twenty years of Fortune 500 and government clients to being embroiled in broilers and a simpler clientele, Gordon shares his unique perspective on everything from parenting to politics, economics to education, travel to trials, and just where you can put your cell phone, encouraging us all the while to let go of our inner Booby.
