

## The Control of Hysteria

By Hubbard L. Ron

CD-Audio. Book Condition: New. Not Signed; Description: Since the deployment of the first atomic weapons, people everywhere have lived with the possibility that everything they hold dear—their lives, their families, their careers and even the human species itself—could be extinguished in a few moments of devastation. Such consequences would be so overwhelming that, for many, the only defense is a hope it will never happen. Yet as the number of countries with atomic and nuclear weapons has risen and an international black market actively trades nuclear materials, action is likely to prove a far stronger deterrent than hope. To be effective, that action would have to address the real source of the danger. Does it lie in the awesome destructive power of modern weapons? Is it the damaging effects of the radiation that would creep across continents? Or does the actual cause lie elsewhere? In a message of compelling urgency, Ron not only answers these questions, but also shows how to resolve the situation at its very core. For the most fundamental danger of all lies not in the weapons themselves, but in the barbarity that would drive men to deploy them against their fellows. To assist both individuals and...
