Louisiana State University Press, Baton Rouge and London, 2013. Hardcover. Book Condition: New. 296 pages. Hardcover with dustjacket. New book. RELIGION. Conflicting Worlds: New Dimensions of the American Civil War In the Civil War era, Americans nearly unanimously accepted that humans battled in a cosmic contest between good and evil and that God was directing history toward its end. The concept of God's Providence and of millennialism—Christian anticipations of the end of the world—dominated religious thought in the nineteenth century. During the tumultuous years immediately prior to, during, and after the war, these ideas took on a greater importance as Americans struggled with the unprecedented destruction and promise of the period. Scholars of religion, literary critics, and especially historians have acknowledged the presence of apocalyptic thought in the era, but until now, few studies have taken the topic as their central focus or examined it from the antebellum period through Reconstruction. By doing so, the essays in *Apocalypse and the Millennium in the American Civil War Era* highlight the diverse ways in which beliefs about the end times influenced nineteenth-century American lives, including reform culture, the search for meaning amid the trials of war, and the social transformation wrought by...
