

## Godkiller: Volume 1 Part 1: Walk Among Us

---

By Matt Pizzolo, Anna Wieszczyk, Tim Seeley, Ben Templesmith, Riley Rossmo

Epitaph. Paperback. Book Condition: new. BRAND NEW, Godkiller: Volume 1 Part 1: Walk Among Us, Matt Pizzolo, Anna Wieszczyk, Tim Seeley, Ben Templesmith, Riley Rossmo, "Deftly unorthodox and wickedly delectable; not so much a story as an experience." (Kirkus). "A horrific yarn of quantum physics, culture jamming, and conspiracy theory." (Wired). "Saga meets Johnny The Homicidal Maniac! Pizzolo sprinkles a little of everything naughty and twisted into this unpredictable adventure/horror/sci-fi mash-up that is definitely not for kids, but it's damn cool." (Aint It Cool News). Fallen gods, weaponized orgasms, and quantum physics-wielding techno wizards collide in Pizzolo and Wieszczyk's beloved modern classic about a teenage orphan named Tommy and an escaped slavegirl named Halfpipe who travel through a post-nuke wasteland in search of a new heart for Tommy's dying sister. Launched as a comic book as well as a digital series featuring Davey Havok (singer AFI), Lance Henriksen (Aliens), Danielle Harris (Halloween movies), Justin Pierre (singer Motion City Soundtrack), Lydia Lunch (Richard Kern's Hardcore), and Bill Moseley (The Devil's Rejects), Godkiller's unique transmedia approach attracted over 500,000 readers and viewers and earned Pizzolo Wired Magazine's prestigious title of "World's Most Wired Comics Creator."
