The projectors of this great international reunion, after mature study of preceding exhibitions, evolved a programme which embraced in its scope the productions and results of every industry, art, and science, as well as their processes and methods of operation. This was done not merely for purposes of competition and the distribution of prizes, but also, and more especially, with the object of passing in review, under the scrutiny of the most accomplished experts and men of science, all of the fruits of the skill, industry, and inventive and artistic genius of every nation. in such a manner...
