Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The scene of this chronicle is the town of Dawson s Landing, on the Missouri side of the Mississippi, half a day s journey, per steamboat, below St. Louis. In 1830 it was a snug collection of modest one- and two-story frame dwellings, whose whitewashed exteriors were almost concealed from sight by climbing tangles of rose vines, honeysuckles, and morning glories. Each of these pretty homes had a garden in front fenced with white palings and opulently stocked with hollyhocks, marigolds, touch-me-nots, prince s-feathers, and other old-fashioned flowers; while on the windowsills of the houses stood wooden boxes containing moss rose plants and terra-cotta pots in which grew a breed of geranium whose spread of intensely red blossoms accented the prevailing pink tint of the rose-clad house-front like an explosion of flame. When there was room on the ledge outside of the pots and boxes for a cat, the cat was there-in sunny weather-stretched at full length, asleep and blissful, with her furry belly to the sun and a paw curved over her nose. Then that house was complete, and its contentment and peace were made manifest to the world by this symbol, whose testimony is infallible. A home without a cat-and a well-fed, well-petted, and properly revered cat-may be a perfect home, perhaps, but how can it prove title?.
